Youth Basketball League

Rules Packet / Coaches Manual

The goal of the Garden City Parks and Recreation Youth Basketball Program is to provide wholesome recreation for youth who take part in the program. **Emphasis is on learning fundamental skills, basic rules of the game, and participation.** Objectives of the program will be to provide development in motor skills associated with basketball, to build character in each individual by stressing sportsmanship and fair play, and to build stamina and healthy minds and bodies through physical activity. Through these objectives, the successful attainment of our primary goal can be realized.

ADMINISTRATION

The Athletic Supervisor, with the approval of the Director of Parks and Recreation and the Garden City Recreation Commission will establish the policies governing the program. Evaluations, surveys, and input from advisory committees will be used to help formulate those policies. The Athletic Supervisor will be responsible for administering the policies in such a manner to assure an equitable, competitive, and enjoyable program for all.

ELIGIBILITY & REGISTRATION

Anyone meeting the grade level requirements will be eligible to participate in this program. All boy's and girl's wanting to participate must be registered and fees paid before they will be allowed to play. For those unable to pay the fee, scholarships are available through Garden City Recreation. Registrations will be accepted **ONLY** at the Garden City Recreation Office, 310 N 6th St. A registration period will be established by the Athletic Supervisor. Registrations after the deadline are accepted only as roster space permits or as new teams can be formed.

COACHES & ASSISTANTS

Volunteers are used as coaches and assistants for all teams. Any parent that volunteers is allowed to coach his/her own child. A coaches training session and organizational meeting is conducted each year prior to the start of the season. It is strongly recommended that all volunteers attend.

TEAM SELECTION

Teams are established by means of evaluation and group rating by the coaches involved in individual leagues. Workouts are held to rate players. All players are highly encouraged to attend. Each player participating in the workout is assigned a numerical rating. Teams are selected by randomly drawing players from a pool of the same rating until each pool has been distributed.

SELECTION PROCEDURES

1. Each team receives a selection in the first pool provided their roster contains less than the maximum number of players allowed. After the first selection, the rotation continues until all players in that pool have been distributed. All pools are distributed in the same manner with the rotation continuing from the point where the previous pool ended.
2. After the first-round teams with returning or assigned players sit out of the rotation until they are even in number with the teams with the least number of players. At that point, they fall back into rotation.
3. The son or daughter of the head coach is automatically assigned to his/her team according to their rating.

4. A head coach may choose to reserve a player whose parent has agreed to serve as an assistant coach (**one assistant per team**). This is allowed only if his team falls into the rotation sometime during the distribution of that pool and after any assigned players (brothers or sisters) have been subtracted from that pool total.
5. A team that has a reserved player returning on the roster cannot reserve an additional player.
6. **No team is allowed to reserve more than two players from the number one pool.**
7. Players not attending the workout or those signing up after the draft are assigned to teams in the established rotation order continuing from the last selection.
8. Draft order is determined by last year's standings with the 1st place team picking last or by lot in leagues where standings aren't maintained.
9. The Athletic Supervisor will assign teams to coaches if the head coach is not returning.

GENERAL RULES

1. Youth basketball is played in a manner similar to Jr. High and High School basketball. All games are governed by the latest official Kansas High School basketball rules except when local rules are specified.
2. Protests are allowed only for the purpose of determining an ineligible player. All other questions regarding a call by an official shall be settled on the spot by the official or supervisor.
